COCKPIT LAYOUT

CABIN LAYOUT

# 280 SUNDANCER®

The sleek, contemporary lines of the 280 Sundancer make it a standout in any marina, but this express cruiser is not meant to sit at the dock. A dynamic deep-V hull provides a smooth ride in any conditions, while the stylish interior promises comfortable overnight stays.

The ergonomically designed helm has clear sight lines and puts all the controls within reach.

An elegant cockpit wet bar features a Corian® countertop and stainless- steel faucet, plus an optional barbeque grill.

The 280 has an innovative transom bench that converts to a sun pad.

Your guests will enjoy plenty of room in the mid-stateroom with double berth, built-in storage cabinet, and sliding window with screen.

This comfortable head and shower compartment is fully enclosed and features a sink, vanity, and VacuFlush® head.

Rich textures and designer fabrics make this roomy dinette/V-berth attractive and comfortable.
